## SCHOOL WEBSITE UPDATE SERVICE

Your school will have so much going on in any one term. Why not share these highlights with your school community and parents of potential new enrolments? It's a guaranteed way to keep your site fresh.

A **once only cost of \$50** to set up the initial Term Highlights page to reflect the design of your website. This includes a prominent link to the Highlights page being placed on your Home Page.

Design and update the Highlights page once per term. This includes all image editing, a new banner collage to head each Term Highlights page and the creation of a link to the previous Term Highlights page. **Term Highlights page: \$75 per page update**

Cost for the creation of one web gallery of up to 50 linked images.

**Web Gallery: \$50**

Additional galleries may also be linked

**Schools who elect to have a Highlights Page updated once per term for the whole year receive a 10% discount and pay only \$450 per annum .**

Schools may elect to vary the frequency of how often they update their Highlights page. It may be more or less than once per term depending on your school's needs.
